Our Affiliates

[Exotic DVM veterinary magazine](#) is a full-color, bimonthly, photographic magazine focusing on veterinary care of exotic companion animals such as birds, ferrets, rabbits, guinea pigs, iguanas, and others, and a practical, fun-to-read, highly visual, magazine with easy-to-follow, step-by-step photographic procedures and tips and tricks. It is written for practitioners and reviewed by experienced exotic animal practitioners. To view the table of contents listing the issues available in IVIS, [click here](#).

Clinical Avian Medicine and *Exotic DVM Highlights* are provided to IVIS readers courtesy of Harrison's family of avian and exotics products and their [Zoological Education Network](#).
