

# 6<sup>th</sup> International Scientific Conference of Veterinary Medicine Students

**Dear Participants,**

The Scientific Society of Veterinary Medicine Students at Warsaw University of Life Sciences-SGGW is pleased to organise next edition of event dedicated to veterinary medicine Students and PhD Students!

Last year almost 50 participants enjoyed lectures, workshops and integration party and could present their research among other students from 8 countries. We had a chance to exchange our experiences and share our skills with each other. Due to your positive feedback we decided to make next edition even better including interesting lectures given by renowned specialists, creative workshops and last but not least integration party.

We hope you will be able to join us on 9<sup>th</sup> and 10<sup>th</sup> May 2020 in Warsaw!

Organising Committee

Each Faculty of Veterinary Medicine is invited to be  
represented by

Oral presentations	Poster presentations
PowerPoint presentation lasting 10 minutes +5 minutes for discussion	Poster 90x70 cm lasting 3 minutes +2 minutes for discussion

In six categories:

Small animals session	Farm animals session
Preclinical session	PhD session
