

Dechra is an international company specializing in veterinary medicine and related products. We are top experts in the development, production and sales and marketing of high quality products used by veterinarians around the world.

Dechra's six values: Dedication, Enjoyment, Courage, Honesty, Relationships and Ambition, reflect our organization's culture and competences. We adhere to these values on all levels of our operations, and they are woven into everything we do. It is important to us how we communicate with people, how we always seek to do things even better, and how we think about the people and animals behind our products.

Genera is the leading producer of veterinary medicine products for the protection of the health of animals in the Republic of Croatia. Genera has been a member of the Dechra Group since 2015.

CALL FOR APPLICATIONS

FOR GENERA d.d. SCHOLARSHIPS

Genera d.d. is awarding two scholarships of 1750 HRK a month to regular 5th and 6th year students of integrated undergraduate and graduate studies in veterinary medicine. All regular 5th and 6th year students whose grade average is higher than 4.00 may apply. The decision to award the scholarship will be made by a three-member panel, of which one member is appointed by the Veterinary Faculty, and the other two by Genera d.d. The winners of the scholarship will sign a contract with Genera d.d. to regulate their mutual obligations. As well as financial support, Genera's scholarship students will also be given the opportunity to become acquainted with the practical use of their theoretical knowledge in production processes, quality control and product development. Depending on their interests and needs, they can choose a field for their master's thesis, with the expert assistance of our employees.

Applications for the scholarships must contain: a motivational letter, your CV, your grade point average transcript, and copies of documents demonstrating other achievements, such as professional education, awards received, scientific papers published etc. The application should also include a recommendation from a faculty professor.

Send your application in electronic form (with the subject: "For the Scholarship") by **30.10.2020.** to: Vanja.Matijasevic@dechra.com

The scholarships will be presented at the special session of the Faculty Council of the Faculty of Veterinary Medicine of the University of Zagreb, held to mark the Faculty Day.
