

Learn all about mobility in one place with the Erasmus Festival

If you are thinking of going abroad to study, perhaps an Erasmus + exchange, Work&Travel or you just want to meet international students and talk to them - ESN Zagreb and ESN Croatia have the right solution for you!

In addition to working on creating content for international students for 10 years, with the support of the University of Zagreb, we also help local students who want to experience the magic of mobility! For this reason, we have decided to organise the **Erasmus Festival** from **16 to 18 May** - a three-day event where you have the opportunity to learn everything you need to know about mobility first hand!

On the first day, at the Mobility Fair organised by **ESN Croatia**, you can talk at various stands with people who organise various types of mobility every day in duration from one week to a year, and if you are interested in Erasmus internships and how to find a company for yourself - we have organised a lecture with all the necessary information!

If you want to hear first hand what student life is like in Estonia or how to choose a foreign university if you are a two-subject student, you can find answers at the Meet & Greet: Erasmus 101 event, where, with coffee and biscuits, 25 speakers are waiting for you! If you're more of a competitive type, don't worry! We have prepared an international pub quiz for you where you can show your knowledge of other cultures, but also learn something new, while the third day we are waiting for you at Jarun where you can try and win a volleyball, basketball or football match!

ESN ZAGREB

 Ul. kralja Zvonimira 8
10000 Zagreb, Croatia

And finally, we believe that you want to taste going out as if you are on Erasmus, without having to leave Zagreb. For this reason, on the last day of the Erasmus Festival we are walking through Tkalča, and later in City Rhythm we are dancing to the best music hits!

Click on the [link](#) to find out more about the event and the ways in which you can apply, and you can always contact us via [Facebook](#) and [Instagram](#) and ask us anything you are interested in regarding the exchange and the upcoming Erasmus Festival! We hope to see you!
