

Satisfaction of students of integrated  
undergraduate and graduate study of veterinary  
medicine with distance learning

2020-2021

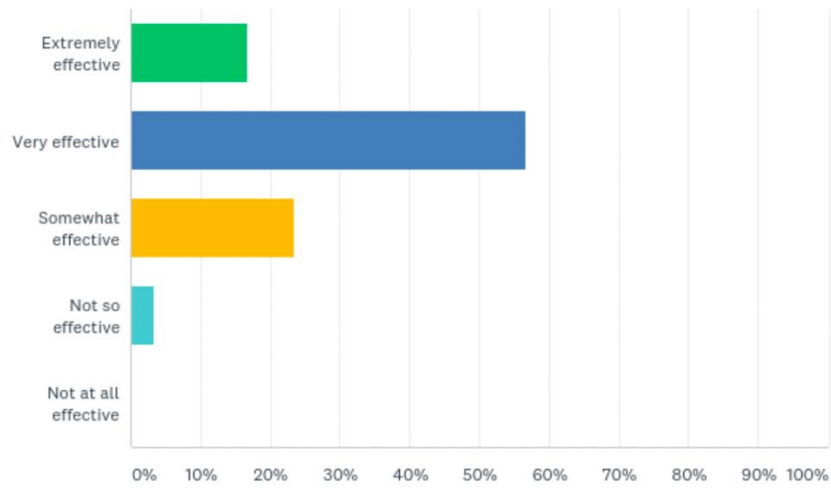

### Q1: Year of study

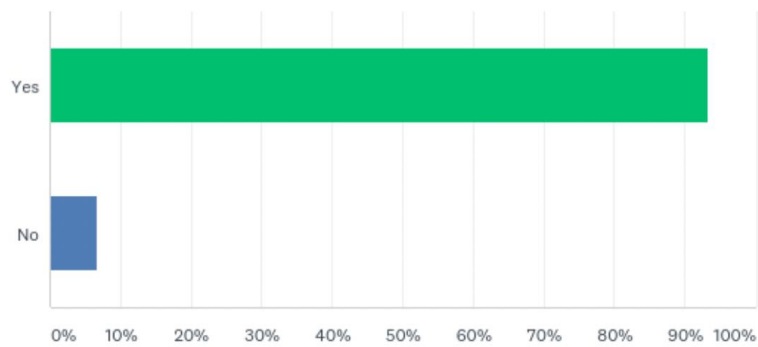

### Q2: How satisfied are you in general with the distance learning organized at the Faculty?

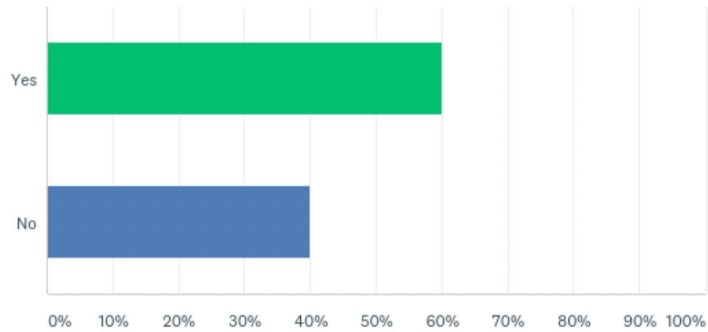

Q3: How do you assess the teacher's performance in distance learning?

Q4: Were the required teaching materials available to you (through LMS, other online platforms, libraries, contact with teachers, etc.)?

Q5: Did teachers inform you before the start of class that the evaluation of teaching activities will be carried out (as class attendance, activities, seminars, etc.)?

Q6: How satisfied are you with the class schedule / distance learning examinations (colloquium, exams)?
