ONE HUNDRED & FIVE YEARS C
Faculty Of Veterinary Medicine
University Zagreb

INFORMATION ON 2025-2026 ACADEMIC YEAR WINTER SEMESTER APPLICATIONS

Application general conditions:

1. Enrolment for students in the higher semester from 8 September until 25 September 2025.
2. Students must enroll exclusively via **Studomat**, except for those repeating the academic year. Students who, for any reason, are unable to enroll via Studomat must send the completed **ENROLLMENT FORM** to the following email address: mjovic@vef.hr, after meeting the enrollment requirements and no later than September 25, 2025.
3. After completing enrollment through Studomat, all students are required to submit the following documents to the Student Office by September 25, 2025:
 - the Enrollment Form with the section for courses in the winter semester filled out,
 - the Index with enrolled courses (if any),
 - the Semester Approval Form
 - the proof of payment of tuition fee for the academic year 2025/2026.
4. Certificate of knowledge of Latin language (this applies to students whose high school diploma did not include Latin language following a minimum of two years' study when they enrolled in the studies). A certificate from the Faculty of Humanities and Social Sciences or a Small/Big Latinum certificate is acceptable. The letter language is required for enrollment to the second year.
5. **Tuitions fees must be covered before the enrolment.** Name of Bank: Zagrebačka banka, Address of Bank: Zagreb, Trg Josipa bana Jelačića 10, Croatia, Swift Code: ZABHR2X, IBAN: HR1723600001101354554. Please write name and surname on the tuition fee payment.

(Note: When submitting the above-mentioned documents to the Student Office, the signatures in the Grade Book must be collected for all courses that the student has registered in for the summer semester of 2024-2025 academic year.

TERMS AND CONDITIONS FOR APPLICATION FOR THE 2025-2026 ACADEMIC YEAR

Students in the second semester of study of the 2024-2025 academic year who are studying under the Integrated Undergraduate and Graduate Study of Veterinary Medicine in English and who have attended classes in the second semester of the 2024-2025 academic year may enrol in the third semester of study if they have obtained a minimum of **45 ECTS credits**.

The workload remaining from the first year of study must be completed by the student's enrolment into the winter semester of the 2026-2027 academic year at the latest.

The requirement for registration into the fourth semester 2025-2026 academic year is to get the third semester of the 2025-2026 academic year officially approved in the student grade-book by the Student Office.

**STO
PET**

ONE HUNDRED & FIVE YEARS C
Faculty Of Veterinary Medicine
University Zagreb

Students who have attended classes in the fourth semester of the 2024-2025 academic year of the Integrated Undergraduate and Graduate Study of Veterinary Medicine in English may enroll in the fifth semester of study if they have completed all the courses enrolled in 1st study year, and obtained a minimum of **45 ECTS credits** out of courses enrolled in the 2nd study year.

The workload remaining from the 2nd study year of study must be completed by the student's enrollment into the winter semester of the 2026-2027 academic year at the latest.

The requirement for registration into the sixth semester 2025-2026 academic year is to get the fifth semester of the 2025-2026 academic year officially approved in the student gradebook by the Student Office.

Students in the sixth semester of study of the 2024-2025 academic year who are studying under the Integrated Undergraduate and Graduate Study of Veterinary Medicine in English and who have attended classes in the sixth semester of the 2024-2025 academic year may enrol in the seventh semester of study if they have completed all the courses enrolled in 2nd study year, and obtained a minimum of **45 ECTS credits** out of courses enrolled in the 3rd study year. The workload remaining from the third year of study must be completed by the student's enrolment into the winter semester of the 2026-2027 academic year at the latest.

The requirement for registration into the eighth semester 2025-2026 academic year is to get the seventh semester of the 2025-2026 academic year officially approved in the student gradebook by the Student Office.

Students in the eighth semester of study of the 2024-2025 academic year who are studying under the Integrated Undergraduate and Graduate Study of Veterinary Medicine in English and who have attended classes in the eighth semester of the 2024-2025 academic year may enrol in the ninth semester of study if they have completed all the courses enrolled in 3rd study year, and obtained a minimum of **44 ECTS credits** out of courses enrolled in the 4th study year. The workload remaining from the third year of study must be completed by the student's enrolment into the winter semester of the 2026-2027 academic year at the latest.

The requirement for registration into the tenth semester 2025-2026 academic year is to get the ninth semester of the 2025-2026 academic year officially approved in the student gradebook by the Student Office.

Students in the tenth semester of study who are studying under the Integrated Undergraduate and Graduate Study of Veterinary Medicine in English and who have attended classes in the tenth semester of the 2024-2025 academic year may enrol in the eleventh semester of study if they have completed all the courses enrolled in 4th study year, **completed courses of Surgery, Orthopaedics and Ophthalmology 3, Obstetrics and Reproduction 2, Veterinary Epidemiology** and obtained a minimum of **7 ECTS credits out of courses enrolled in the 5th study year (Field Service Clinic credits do not count)**. In addition to the above enumerated conditions, the student must collect the signature of the Field Service Clinic Course leader in the Gradebook.

The workload remaining from the 5th and 6th year of study must be completed by the student's Master Thesis defense.

The requirement for registration into the 12th semester 2025-2026 academic year is to get the 11th semester of the 2025-2026 academic year officially approved in the student gradebook by the Student Office and **application to write the Master Thesis**.

**STO
PET**

ONE HUNDRED & FIVE YEARS (1871-2026)
Faculty Of Veterinary Medicine
University Zagreb

Upon fulfillment of all obligations (passed all enrolled and attended courses and submitted EPT logbook), 12th semester students can submit a request for testing of the semester after the last day of classes, and no later than June 12th, 2026, if they plan to defend their thesis in the summer exam period until July 15th, 2026.

No later than seven days before the date of the thesis defense, the student submits four copies of the thesis, the mentor's opinion, and the index to the Student Office.

Students who have attended classes of the 2024-2025 academic year, but have not met the requirements for full enrolment in the higher semester of study (45 credits) may enrol only in the courses from obligatory list, as defined in the Registration Requirements documentation, corresponding to credits earned over the first year of study.

For example, 30 credits earned in the first year of study will allow you to enrol in courses of 30 credits for the second year of study. Enrolment in elective/obligatory-elective courses is not allowed.

Full-time students - students exceeding the nominal duration of their study

- a) The fee for taking exams in the academic year 2025/2026 for students who do not have student rights shall amount to EUR 300 per application.
Before taking the exam, the student is required to submit a proof of the effected payment to the Student Office for Integrated Undergraduate and Graduate Studies within 3 days from taking the exam.
- b) The cost of initiating the procedure and defending the graduate thesis by 30 September 2026 for students who do not have student rights in the academic year 2025/2026 shall amount to EUR 119.45.

DOCUMENTATION FOR APPLICATION SUBMISSION:

1. Grade Book (Indeks), (if any)
2. Enrolment list with the section for courses in the winter semester filled out.
3. The student must get the semester of the 2024-2025 academic year approved.
4. Certificate of knowledge of Latin language (this applies to students whose high school diploma did not include Latin language following a minimum of two years' study when they enrolled in the studies). A certificate from the Faculty of Humanities and Social Sciences or a Small/Big Latinum certificate is acceptable.

Each student is responsible for checking whether the course enrollment has been successfully completed and for regularly monitoring the status of their courses in Studomat.

1. Students who enroll in a part of a course from higher years of study ("partial-year enrollment") must comply with registration and examination requirements as stated in the table under the **registration requirements for partial-year enrollees** and **examination requirements for full-year and partial-year enrollees**.
2. Students who enroll in a higher year of study ("full-year enrollment") under the conditions based on the Decision of the Faculty Council are obliged to follow the requirements in the table under **examination requirements for full-year and partial-year enrollees** when enrolling in the higher year of study.
3. To enroll in the elective courses, all students are required to comply with the registration and examination requirements in the table under **registration requirements** and **examination requirements**.
Students in "partial-year enrollment" do not have the option of choosing and enrolling in elective or obligatory-elective courses from the higher years of study.

REGISTRATION AND EXAMINATION REQUIREMENTS SCHEME

I SEMESTER

SUBJECT	Registration requirements for partial-year enrollees	Examination requirements for full-year and partial-year enrollees
PHYSICS AND BIOPHYSICS	-	
MEDICAL CHEMISTRY	-	
ZOOLOGY	-	
BOTANY IN VETERINARY MEDICINE	-	
ANATOMY WITH ORGANOGENESIS OF DOMESTIC ANIMALS I	-	
ENVIRONMENT, ANIMAL BEHAVIOUR AND WELFARE	-	
BASIC STATISTICS IN VETERINARY MEDICINE	-	
INTRODUCTION TO VETERINARY	-	
PHYSICAL EDUCATION I.	-	

III SEMESTER

SUBJECT	Registration requirements for partial-year enrollees	Examination requirements for full-year and partial-year enrollees
PHYSIOLOGY OF DOMESTIC ANIMALS I	MEDICAL CHEMISTRY must be completed	PHYSICS IN BIOPHYSICS, BIOCHEMISTRY IN VETERINARY MEDICINE, ANATOMY WITH ORGANOGENESIS OF DOMESTIC ANIMALS I., ANATOMY WITH ORGANOGENESIS OF DOMESTIC ANIMALS II must be completed
MOLECULAR BIOLOGY AND GENOMICS IN VETERINARY MEDICINE	Pending completion of BOTANY IN VETERINARY MEDICINE, MEDICAL CHEMISTRY, BIOCHEMISTRY IN VETERINARY MEDICINE and ZOOLOGY.	BOTANY IN VETERINARY MEDICINE, MEDICAL CHEMISTRY, and BIOCHEMISTRY IN VETERINARY MEDICINE and ZOOLOGY must be completed.
