

Useful information for Incoming Student Mobility for Studies (ERASMUS+ SMS)

At the Faculty of Veterinary Medicine, University of Zagreb, incoming Erasmus+ SMS mobilities for Erasmus+ programme countries are arranged at the faculty level. If you are interested in an Erasmus+ SMS mobility for a study period, please send an email to the University for Incoming Mobilities at incoming@unizg.hr to obtain general information, and also contact the IRO ERASMUS+ at the Faculty of Veterinary Medicine at erasmus@vef.unizg.hr.

The Faculty of Veterinary Medicine has its own academic advisors (ECTS coordinators) as well as international coordinators (usually administrative staff at the IRO Office: Ms Renata Purgar and Ms Ana Vranešić. They are available to assist you with any questions regarding your study plan at our University, such as which courses to take, ECTS point requirements, course prerequisites, etc. Be sure to contact them at erasmus@vef.unizg.hr as well as at the emails of Ms Renata Purgar rpurgar@vef.unizg.hr and Ms Ana Vranešić avranesic@vef.unizg.hr. The ECTS coordinator, Assoc. Prof. Sven Menčik erasmus@vef.unizg.hr is responsible for signing your learning agreement.

The scope and structure of study programmes are available at the University of Zagreb link: <https://www.unizg.hr/homepage/study-at-the-university-of-zagreb/academic-information/> and the detailed programme with the Detailed Proposal of the Study Programme (PDF form), Course Catalogue (PDF form) and the Registration and Examination Requirement (PDF form) for the ac. y. 2025/2026 are available in at the mentioned link.

Almost all faculties at the University of Zagreb offer a number of courses in English (and other foreign languages) specifically for international exchange students. The Faculty of Veterinary Medicine offers a course in English, and according to the prescribed quota for the enrolment of English-speaking students and the available places, it is possible to participate in SMS mobility within the ERASMUS+ programme in different years of study. All is in accordance with the approval of the ERASMUS+/ECTS coordinator. **Important note: if the quota for the study year is full, the ERASMUS+ SMS student will be enrolled in the Croatian study programme, with all materials available in English, and the final exam will also be provided in English.**

If you are interested in enrolling for a semester or a full academic year at our faculty, according to the available IIA between our institutions, please find more information on the courses, as well as the Examination Requirements Scheme for 2025–2026, in the detailed proposal of the Veterinary Medicine study programme in English for the 2025–2026 academic year.
